Autumn Term 26
Friday 2nd October 2026

Morning Supervision

A reminder that children must be accompanied by an adult on the school playground in the morning until they are called into class.

Please do not leave children unattended on the playground before the start of the school day.

Thank you for helping us to ensure that all children are safe and appropriately supervised.

Mrs Harding

Consideration for Our Neighbours

We have recently been contacted by a neighbour who lives in the bungalows on the road outside school. Their driveway has been both fully and partially blocked by vehicles during school drop-off and pick-up times. They have also noticed that cones have been moved to allow vehicles to park. On one occasion, our neighbour was unable to leave their driveway to attend an appointment.

We completely understand that drop-off and pick-up times can be busy, but we kindly ask all families to be considerate of our neighbours and ensure that driveways and access points are kept clear at all times. Also to make sure there is enough room for emergency services to access the roads and resident houses.

Please do not move cones or park in a way that prevents residents from accessing their homes.

Food Safety Guidance for Young Children

We would like to remind families of the current guidance around preparing food safely for children under five. The updated Early Years Foundation Stage (EYFS) nutrition guidance highlights the importance of preparing foods appropriately to reduce the risk of choking.

In particular, grapes, cherry tomatoes, cherries and other small, round foods should be cut lengthways into quarters before being given to young children. Other foods should also be prepared according to their size, shape and texture, with particular care taken with foods that may present a choking risk.

We would encourage all families to take a few minutes to familiarise themselves with the guidance, which contains helpful information about preparing food safely for young children.

- ⇒ Tuesday 6th October—3:15PM KS2 Disco

RSE Information and Consultation Evening

Thank you to everyone who attended our RSE information and consultation evening.

We hope you found the session informative and that it has given you a clearer understanding of what your children will be learning about in school regarding this subject.

Earrings and Jewellery Reminder

A reminder that children should not wear earrings on PE days. On other days, if children do wear earrings, these must be small, simple studs.

Please note that hoops and dangly earrings are not permitted, and children should not wear any other jewellery, with the exception of a watch.
