

Sacred Heart Catholic Primary School

Phonics/ spelling Pupil Questionnaire (6 children from KS1)

Mrs Lesley Lee and Mrs J Pollock 11 Jan 2017

What sorts of things do you do which help you learn phonics ?	It helps us to read It helps us to work out tricky words It helps us work out the alien words from real words
What do you enjoy ?	I enjoy making robot arms to learn the sounds I like the writing part of the lesson I enjoy working out which are alien words and which are real I like the characters in Read, Write, Inc – they talk in a funny way and set us challenges We have to repeat the words after the aliens and sometimes they are different characters
Why do you think that we have to learn phonics ?	It helps work difficult words out It helps us spell words when we are writing It helps us read quicker
Can you think of any ways we could make teaching and learning phonics even better ?	Sometimes we would like harder words
Who do you do phonics with ?	All children knew who their teacher and teaching assistant was for phonics/ spelling
How do you think phonics helps you with your other work ?	It helps us spell numbers It helps you work out the answers to questions in guided reading You can work out tricky words
Is there anything else you would like to tell me about phonics ?	It's awesome It's good I like how the aliens speak to us I love Read, Write, Inc. but the most thing I like is the teachers It's incredible
